Lesson Description: Ages 8-Adult - Each student will learn horsemanship skills to master the art of riding and caring for a horse properly. Students will be instructed as a group on different skills to improve their overall riding ability in the targeted areas of instruction. Group lessons are 1 and ½ hours in instruction to accommodate the longer time to saddle of more horses. Due to the number of horses available to me and the space required, group lessons will not exceed 4 people. Specialized group lessons will be offered to those only that own or lease their horses.

****Group Lessons : 5:00 – 6:30- p.m. Mon-Wed and 6:30 – 8:00 p.m. – specialized group lessons.**
